Discussion held for the start of the new Comprehensive Plan, as per Aaron Schuette (Principal Planner - Brown County Planning Commission)

- a. **Background:** A Comprehensive Plan is a guiding document that is locally driven. It provides a 'roadmap' for a community over the next 20 years (updated at least every 10 years).
- b. **Process:** Public participation is a key element in the process of developing the Comprehensive Plan. The Park & Outdoor Recreation Plan is also updated at this time. A 'visioning session' will be held on Wednesday, March 16th at 6:30 PM. This is an opportunity for Village of Pulaski residents to have input on the future of Pulaski. We will be looking for the 'big picture' issues at this meeting, i.e., issues that affect the village as a whole.
- c. **Timeline:** A Comprehensive Plan generally takes about a year to compile, with a few additional months for the approval process.

MOTION BY ROGER BRZECZKOWSKI AND SECONDED BY DAVE O'BRIEN to adjourn the meeting.
