APPLICANT SHALL CALL THE INSPECTION DIVISION FOR REQUIRED INSPECTIONS: 920-822-5182

51.23 FENCES AND HEDGES; OUTDOOR STORAGE

- (a) **PERMIT REQUIRED.** No person shall erect or construct on any property in the village of Pulaski without first having obtained a permit for such fence construction from the Zoning Administrator and having paid a fee established by the Village Board to the Village Clerk.
- (b) **DEFINITION.** For the purposes of this Chapter a fence is herein defined as an enclosing barrier consisting of vegetation, wood, stone, metal, brick, cement or other material. The term "fence" shall be construed to include planting, such as hedges.
- (c) **LOCATION.** Fences and hedges may be located at the lot line but may not extend over or across the lot line. No fence or other structure consisting in whole or in part of barbed wire, rods or bands or other material dangerous to life or limb, shall be erected along or within four (4) feet of any public right-of-way streets, sidewalks or alleys. No fence shall be located in any public right-of-way. **(Ord. #370)**
- (d) **CONSTRUCTION AND MAINTENANCE.**
- (1) Fences shall be constructed in a workman-like manner and of substantial material reasonably suited for its intended purpose. Every fence shall be maintained on both sides in a condition of good repair and shall not be allowed to become or remain in a condition of disrepair or danger, or constitute a nuisance, public or private.
 - (2) Any fence which is, or has become dangerous to public health or welfare is hereby declared a public nuisance and may be subject to proceedings by the Village for the abatement thereof. **(Ord. #370)**
 - (3) Electric fences shall not be permitted except for agricultural purposes. Barbed wire fences shall only be permitted for agricultural uses and by conditional use for industrial or commercial security uses. No fence shall have sharp or pointed pickets dangerous to life or limb. Hedges and other plantings shall be continuously trimmed and all parts thereof confined to the property on which planted.
- (e) **RESIDENTIAL FENCES AND HEDGES.** Residential fences or hedges may be located to the lot line but may not extend over or across the lot line. No residential fence or hedge exceeding two and one-half (2-1/2) feet in height shall be allowed within the building setback limits adjacent to a street right-of-way; except, in the rear setback area where there is no access to a street right-of-way where the maximum height of a fence shall not exceed six (6) feet in height and hedges may be permitted to grow to their natural height. No barbed wire or electrical fence of any kind shall be permitted in a residential district. The most attractive side of a fence shall face outward toward the adjoining property. **(Ord. #370)**
- (f) **COMMERCIAL, AGRICULTURAL, INDUSTRIAL FENCES.** Fences used for industrial, commercial, agricultural purposes, and not otherwise subject to the

provisions of Sec. 51.23(h), shall have a maximum height of eight (8) feet, except within the required front or corner setback areas wherein such height shall be limited to two and one-half (2-1/2) feet. Arms or extensions which project from the fence must project into the lot proper. Where a fence abuts a residential district or residential use, the fence must be set back from the lot line a distance of 30 inches.

- (g) **FENCES REQUIRED FOR CERTAIN SWIMMING POOLS.** All permanent in-ground or permanent above-ground private swimming pools not enclosed with a building shall be completely enclosed by a fence of a sufficient strength to prevent access to the pool and be the kind and nature described herein (a "Pool Fence") and consisting of the following:
- (1) A Pool Fence shall be constructed of wood or metal with the individual members of the fence vertically placed with no more than four (4) inches of space between each such vertical member.
 - (2) There shall be no more than four (4) inches of open space between the bottom of a Pool Fence and the grade level of the ground surrounding the pool.
 - (3) A Pool Fence shall be not less than four (4) feet in height nor more than six (6) feet in height from grade level."
 - (4) A Pool Fence shall be located no closer than five (5) feet from any edge of the pool.
 - (5) All gates in the Pool Fence shall be self-closing and constructed as to be capable of being locked, and shall be closed and locked as to prevent unlatching when the pool is not in actual use and all hardware or equipment for opening the gate shall be located on the inside of the gate.
 - (6) All Pool Fences constructed prior to July 1, 2000 shall be subject to rules set forth in Ordinance No. 370. All pools constructed after May 1, 2011 shall be in conformance with the standards set forth herein.
 - (7) The wall of a house or building facing a swimming pool may be incorporated as a portion of the required fence.
 - (8) Above-ground swimming pools, with self-provided fencing to prevent unguarded entry, shall be permitted without additional fencing if such self-provided fencing is at least six (6) feet in height and temporary ladders are removed and access is prevented at all times when the pool is not in use. Above-ground swimming pools, having permanent or stationary ladders, stairs, ramps, or decks for access, shall be safeguarded by the same fencing and gates required herein.
 - (9) Portable pools over one foot in depth, spas, hot tubs, whirlpools and similar equipment shall be fenced as specified within regulations set forth in this section or shall be drained or covered after each day's use in such a manner as to provide for the safety of the public.
 - (10) All pool permits shall be approved by the Zoning Administrator and be accompanied by plans showing:

- (a) The proposed location of the swimming pool on the lot and the proposed distances to the lot lines and existing structures.
- (b) The location of sewer lines or water lines.
- (c) Pool dimensions and proposed depths.
- (d) Type, height and location of proposed fences.
- (e) Location of electrical utilities and power lines relative to the location of the swimming pools. **(Ord. #503-2011)**
