## **JUNK ORDINANCE – Ordinance 41.06, 45.06 & 48.03**

The Village has a Junk Ordinance. Unightly property such as unregistered vehicles, tires, auto & machinery parts, appliances, wood, cement blocks, excessive garbage, etc., could be a violation of this ordinance. Unightly properties depreciate property values within the neighborhood. Complaint forms are available at the Village Hall.

## **SUMP PUMPS - Ordinance 27.05**

Sump pumps CANNOT be discharged onto village streets at any time. Discharging onto the streets can cause potential hazards (ice buildup in winter & ‘green slime’ in summer). If you are currently discharging your sump pump into the street, this is not allowed and must be stopped.

## **BASEMENT BACKUPS**

The Sewer & Water Dept. regularly inspects and cleans all sewer and water lines to maintain proper system functioning (and free of obstructions). This is performed at least once per year. On occasion, issues are encountered involving a sewer obstruction, resulting in a sewer backup, which can also damage and/or plug laterals, lift stations, etc. Most often, the situation is due to a foreign object from a household or business. While the Village cannot be held liable for every situation, we will do our best to remedy the situation. Wisconsin statute protects our municipality as long as regular maintenance and repairs are exercised.

- ❖ To help protect your home or business from a sewer backup, there are a couple of things you can do:
  - ✓ Make sure the lateral drain system on your property is clear & free of any obstructions
  - ✓ **Purchase ‘sewer & water backup’ coverage** on your homeowner’s and/or business insurance policy. This usually covers the cost of property damage and cleanup.

## **OPEN BURNING REGULATIONS – Ordinance 12.11**

Open burning is prohibited in the Village. No burning of rubbish, garbage, recyclable items, trash, rubber, plastic, leather, flammable or combustible liquids. Recreational fires are exempt. See **Ordinance 12.11**.

## **MAILBOXES**

Owners must keep mailboxes clear of snow for mail delivery. Mailboxes must also be in compliance with the U.S. Postal requirements (contact the Post Office). The Village is not responsible for damage to mailboxes.
